Andy can I assume you have shown this document to Humane? Fetzer wanted to be sure she was in the loop.

Subject: Fw: access REVISED REDRAFT

Good morning Andy,

As you may know things have progressed a bit on the Dimock Site and it looks like we will be able to start there finally tomorrow.

Could you please review the attached access agreement. It is for providing access to collect drinking water samples from the well and if there is no water supply tank attached a sample from the kitchen tap.

thanks

Rich
